

Financial Management Service
memorandum

Date: October 17, 2003
Subject: Accreditation of the CASHLINK II System

AUTHORITY TO OPERATE

I have examined the updated CASHLINK II certification and accreditation (C & A) documentation package. Based on my authority and judgment, and weighing the known residual risks against the operational necessity for this mission critical system, I hereby grant full Authority to Operate the CASHLINK II system as instantiated in the Riggs Bank, Riverdale, Maryland facility. This CASHLINK II system is authorized to operate through October 31, 2006.

Copies of this Accreditation Memorandum and associated updated C & A documentation should be distributed to the Riggs Bank, Riverdale, MD location and to the personnel managing that facility.
